2. October 10, 2013, Anchorage, Alaska – Anchorage attorney Brent Cole has been named special counsel in the matter of the Environmental Protection Agency (EPA) and Alaska Department of Environmental Conservation (DEC) field investigation of mining claims in the Fortymile District. Governor Sean Parnell called for the special counsel after learning seven enforcement officers from the EPA and Bureau of Land Management (BLM), along with a DEC employee, forcefully investigated placer miners in the Fortymile area near Chicken.
